I just won the lottery!
This has to be a dream!.

!

Heh, so it was...
it's a pity...
But I have a successful business and a beautiful wife by my side...

What do I need to win the lottery for...?
!

Hey! No wonder you don't have a girlfriend, you're always sleeping whenever you get the chance!
what, it was a dream again!

She was so pretty too....
oh It's sad I guess, but!! ..
I've got me a 60k a year job in today's job market, what more could I want
